**Photo ID plan of action for education of public--they are accepting speaking engagements for any group, will be sending a letter to all registered voters detailing the new regulations and how to comply, have changed the outgoing phone message to inform on the law, have designed large signs for the polling places, and are having two town hall meetings in the county Nov.1 at Glencliff and Whites Creek. Info is already on their web site. Discussed locations to get ID--only DMV's are doing it for free. County Clerk offices, which can do license renewals, are charging \$12 to \$19 for the ID.**

Do you recommend League action on any of these issues?

**Continued efforts to help spread the word and get everyone who needs one a proper ID before March voting.**
